-----------------------------	--------	---

Breads hot out of the oven need about 1 hour to cool before slicing them. Keep breads at room temperature. Our breads will stay fresh for 7-10 days. Cheese breads should be eaten or frozen within 3-4 days. All hot breads must be allowed to cool completely before putting in plastic bag.

Wheat Stalks indicate products made only with 100% freshly-ground whole wheat. We mill wheat daily in our bakery.
